

REMARKS

A review of the claims indicates that:

A) Claims 1—43 are cancelled.

B) Claims 44—63 are new.

In view of the following remarks, Applicant respectfully requests allowance of the claims.

The Applicant Thanks the Examiner for the Interview

The Applicant would like to thank the Examiner and Supervisory Examiner for the interview 31 March 2008. In that interview, prospective claims and the prior art were discussed. As a result of that discussion, the new claims, reciting aspects of ambient lighting, a pattern image library, an edge image library and other aspects, are believed to overcome the art of record.

The Applicant would also like to thank both Examiners for suggesting that they would call the Applicant in the course of examination, if any claim amendments were apparent and could result in allowance.

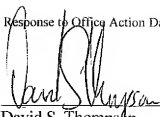

Conclusion

The Applicant submits that all of the claims are in condition for allowance and respectfully requests that a Notice of Allowability be issued. If the Office's next anticipated action is not the issuance of a Notice of Allowability, the Applicant respectfully requests that the undersigned attorney be contacted for the purpose of scheduling an interview.

Respectfully Submitted,
